ARE STILL UNDER APPEAL

COMES NOW the current Defendant Pastor Martin Lindstedt (hereafter in person described as “Pastor Lindstedt) OF THE Church of Jesus Christ Christian / Aryan Nations of Missouri (hereafter described as Pastor Lindstedt’s Church) to make written objections regarding Judge Bridget Mayer’s unlawful, tyrannical and corrupt signing of writs of execution done in collusion with antifa lawyer Robert Konrad and long-time state and federal agent provocateur Bryan Reo to have a sheriff’s sale by Stanley County Sheriff Brad Rathbun on 26th May 2022 of Pastor Lindstedt’s inheritance of 1800+ acres to satisfy \$2.75 million in excessive mythical compensatory and punitive damages violative of not only the 1st Amendment, but the 7th Amendment jury trial promises and 8th Amendment claims of “no excessive fines or judgments” summarily imposed. Judge Bridget Mayer in her July 31, 2020 Memorandum Decision said that no execution against Pastor Lindstedt and Aryan Nations property would take place “until the Ohio court matters are resolved, and this matter is concluded.” Page 3, Decision. However due to the South Dakota Supreme Court sanctioning Pastor Lindstedt and his Aryan

Nations Church with what in effect is a Sanction of Outlawry and a “Lawyer’s Proscription” given Lindstedt’s overt contempt for these corrupt courts, rubber-stamping Bryan Reo’s /Robert Konrad’s blackmail of Pastor Lindstedt’s sister, Judge Mayer acceded to state-sponsored civil-lawfare piracy and signed the “foreign judgments” of Bryan Reo in 58CIV 19-35 (Reo v. Lindstedt, Aryan Nations in Lake County Ohio before a lynch-mob jury) which did go to Ohio courts and before the U.S, Supreme Court. But also 58CIV21-16 for \$1 million by negro-jew judge Solomon Oliver, 58CIV21-24 before crazy Judge John Adams (for being told that Bryan Reo’s father wouldn’t show up to the Lake County trial so Pastor Lindstedt thought what turned out to be Reo’s father was yet another of Reo’s mongrel homosexual lovers). Both these matters have been fully briefed and are awaiting judgment by the 6th Circuit Court of Appeals. Regardless of how these decisions go, Pastor Lindstedt intends to quantillize and chernobylize NorthEastern Ohio via their North Perry Nuclear Power Plant (NPNPP) for dragging himself and his Aryan Nations Church to face bogus civil-lawfare litigation for being an unrepentant white supremacist and Dual-Seedline Christian Identity (DSCI) pastor. The only way to get their attention is to kill a couple million of them and to enslave the few survivors and leave them with a radioactive memorial for the next 100,000 years as to the dangers of a corrupt pseudo-republican form of government and letting lawyers, mongrels. Perverts & whiggers run wild.

Likewise with 58CIV21-40 for \$750,000. As of today Bryan Reo has had to submit three Appellee Briefs explaining how he is entitled to \$750,000 because he was made fun of by Pastor Lindstedt for being a “mamzer faggot ZOGbot”, i.e. a mongrel of mixed part jew ancestry, a raving predatory homosexual and a long-time (since 2002) state and federal agent provocateur (commonly called a “ZOGbot” which is the preferred term for these Soldiers of Satan within the Racial and Religious Resistance out to destroy the state and federal regimes called the “Zionist

Occupied Government” or “ZOG” for short for the past 50 years.) Bryan Reo, Lawyer Konrad, and Reo’s ZOGbot lawyer friends from the Foundation for the Marketplace of Ideas (FMI, See Exhibit #1 the 2017 IRS 501(c)(3) Tax Form showing that they instigated Charlottesville 1.0) are all ZOGbots. Thus these Bryan Reo cases in Ohio and here in South Dakota are simply Bryan Reo appearing before the ZOG kangaroo courts as a police instigator and agent and having the corrupt judges rule summarily excessive judgments without benefit of a jury trial to achieve a desired end – that of destroying the lives, property and liberty of the targeted racial and religious leadership of the subject population so that they can be replaced by a more tractable population of non-whites. See Exhibit #2, “Prey 4 Muh Suckcess” posted by “SwordBrethren the “Teutonic Crusader” a.k.a. Bryan Reo on Baal Finck’s Christogenea forum on Monday August 25 2014 # 7:40pm. In this forum post to Reo’s fellow mongrel, homosexual fellow ZOGbots Bryan Reo with its first federal lawsuit against Pastor Lindstedt transferred from Ohio to Missouri boasted:

“I have a particular enemy in Missouri who has a stake in a cattle ranch in South Dakota, I am asking that God deliver his property, all his wealth, all of his land, all of his assets, all of his money, to me, to me and leave him desolate and penniless. . . . along with the entire estate, wealth, property, money, etc. of the wicked one in Missouri [the ranch in South Dakota might be worth \$500,000 just by itself.” Exhibit #2

By the way, Judge Bridget Mayer was appraised of this Exhibit #2 but upon the lying denials of Reo and Konrad chose to believe that Bryan Reo / SwordBrethren suddenly found out about Pastor Lindstedt’s inheritance in 2018, four years after initiating the first lawsuit for \$10.75 million in Ohio federal court. Mayer also pretended to believe that Robert Konrad who obviously stole Pastor Lindstedt’s sister’s Susan Bessman confidential legal files while working at the Ollinger Law Firm was suitable for being Bryan Reo’s antifa lawyer to collect his loot. Attorney Konrad even went so far as to hand to Pastor Lindstedt an Ollinger Law Firm pen which can be seen in the Daily Capitol Journal front-page story of early 3rd Sept. 2020. Pastor

Lindstedt's sister knew that Attorney Konrad was playing with Pastor Lindstedt to show his undue influence over Judge Mayer. They even hastened the evidenciary hearing in order for Konrad to let Judge Mayer railroad some wretch on criminal charges at 4:30pm on 31 Aug 2020. Judge Mayer screeched about how "Now is not the time to discuss the ethics of Robert Konrad representing Bryan Reo." Which is of course correct. The proper time to discuss the corruption of the South Dakota legal & political system is when the Oahe Dam is destroyed and those able to flee be they lawyers, judges, politicians, police and they's families is running for the bluffs atop which are gallows, wood chippers, acid baths, hungry dogs, gelding knives and an enraged collection of warlords ready to dispense Biblical and Medieval summary justice as Pierre and Ft. Pierre are flushed away by the Deluge to be the monument ruins like in Ohio against the wages of sinful corrupt democratic and republican regimes and in favor of limited local warlordism.

Upon the South Dakota Supreme Court dismissing Pastor Lindstedt's appeal to stop punishing his sister Susan Bessman for unknowingly accepting Pastor Lindstedt's transfer to her in Oct. 2019, pointing out that Susan Bessman wanted since March 2020 when she first heard of Bryan Reo to immediately quit-claim it back to Pastor Lindstedt and make the "unlawful transfer" action moot. However Bryan Reo, Attorney Konrad, and her first lawyer Kody Kyriss didn't want her to simply sign the quit-claim and make this "illegal transfer" litigation moot. In January 2021 Pastor Lindstedt's sister came over to visit Pastor Lindstedt in the trailer she bought for Roxie Fausnaught and gave Lindstedt a copy of Robert Konrad's extortionary threats to take her inheritance as well unless she would sign over to Attorney Konrad and Bryan Reo the inheritance that they had asked for injunctive relief from transfer. Pastor Lindstedt read the first couple of pages of Konrad extortion then set it aside. However Susan Bessman upon hearing that the Reo/Konrad extortion would be posted on the Aryan Nations web page surreptitiously took it

back. Pastor Lindstedt decided to not file an appellate brief hoping that Susan Bessman would keep the inheritance protected from Bryan Reo and Robert Konrad. The Judge Mayer decision was so fraudulent that Pastor Lindstedt thought that the matter would be in litigation until after Collapse and the consequences of this corruption would become made evident and thus denied.

To Pastor Lindstedt's surprise, the Ohio federal courts decided to write their own populations' death warrants by rendering summary judgment without jury trial and for a total of \$2.75 million in Bryan Reo mythical compensatory and punitive damages contrary to their 1st, 7th, and 8th Amendments and finishing off the pretense of "rule of law" in all four Bryan Reo cases, which now are all under appellate review during 2021 although the Steffani Reo case was just finished last month by federal Judge Christopher Boyko. The reason that destroying the myth of rule of law in doing away with these paper protections and letting lawyers and judges run wild is that a new warlord-based order means exterminating not only the non-whites such as Bryan Reo but the regime-criminal whiggers, especially the lawyers and judges as things fall apart. Judge Bridget Mayer in the final days of 2021 and early 2022 was in fact assessing a fine of \$18,670 for Pastor Lindstedt "disobeying" her temporary and permanent injunction for cashing the last rent check for 2019 of \$15,600 before Lindstedt transferred his inheritance to his sister on 25 Oct. 2019 which was four months before Bryan Reo and Robert Konrad even filed this "unlawful transfer" litigation in Feb. 2020. Thus this South Dakota court and court system has destroyed any pretense to serving law or justice. Rather these South Dakota courts have allowed lawyers and judges to destroy white lives and property on behalf of non-white agents provocateur and their antifa lawyers working in tandem to steal and harm under color of law. Now young white men are killing non-whites because they are finding out that whites are being replaced by treasonous elites and Pastor Lindstedt and his Aryan Nations Church is of course

pointing out that only White People are human with souls and that it is necessary to not only exterminate the non-whites but these Satanic forms of government and their servants through killing or enslaving those who are salvageable. Judge Mayer by signing there writs of execution prior to appellate review is actually signing writs of execution for herself, her friends and family and criminal regime, both root, branch and tender twig.

The South Dakota Supreme Court having notice due to Pastor Lindstedt's appeal in showing the corruption of Lawyer Konrad, Kyriss, and Judge Bridget Mayer threw a tantrum on 11 April 2022 and denied the appeal of these judicial decisions to blackmail Pastor Lindstedt's sister, to fine Pastor Lindstedt for his actions before this fraudulent predatory litigation, and to reward Bryan Reo with a payoff before the matter was fully resolved. The corrupt South Dakota Supreme Court even decided to do away with the pretense of *habeas corpus*. Even now the 58CIV20-07 and SDSC # 29890 decision can be appealed to the U.S. Supreme Court within 90 days of 11 Apr. 2022. However, Attorney Robert Konrad presented some writs for execution the judgments not only of 58CIV19-35 against Pastor Lindstedt and his Aryan Nations Church for \$400 that Bryan Reo obtained from a corrupt Lake County judge and lynch mob jury back in June 2019 and Judge Mayer signed that even though her corrupt decision in 58CIV20-07 backed up by the South Dakota Supreme Court is still under appeal or will be to the US Supreme Court which might decide to avoid open civil war by having agents provocateur and lawyers with the help of state courts take the lives, liberties and property of 2d Civil War combatants. Thus according to both Ohio, Missouri and ***SDCL 15-16A-6*** the laws say the same thing: If a judgment debtor shows the circuit court that an appeal from the foreign judgment is pending the court shall stay execution of the foreign judgment until the appeal is concluded. Given that due

to Bryan Reo and Robert Konrad and Judge Mayer's misconduct Pastor Lindstedt has no money to pay for a bond not that he ever would because Pastor Lindstedt doesn't recognize this satanic court's lawful jurisdiction. On July 31, 2020 Judge Bridget Mayer recognized this principle of law keeping the likes of Attorney Konrad and Bryan Reo from racking up civil-lawfare barratry false judgments in Ohio and due to 25+ lawsuits impoverishing Pastor Lindstedt into destitution as has been Konrad's and Bryan Reo's plan to use this satanic mongrel abomination ZOGBot's position to do so as stated, Exhibit #2 back in Aug. 2014. Doubtless this will be the application of your "law" until such time as when the Oahe Dam is broken and regime criminals, especially the lawyers, politicians and piglice and their regime-criminal families have to leave as supercedeas theys' spawn's testicles to be put in a receivership mason jar or are used as walking wombs along with all of their lands, property and money and left destitute now that the South Dakota Supreme Court have destroyed appeals and habeas corpus and then the full measure and then some is measured right back until extirpation both of the regime criminals and their corrupt and evil form of government. Judge Bridget Mayer promptly on 13 April 2022 signed the Writ of Execution and then proceeded to levy on it to the Sheriff Bras Rathbun without providing any Notice to Pastor Lindstedt or his Aryan Nations Church. However what goes around comes around and while Pastor Lindstedt has found out on 13 or 14th May when Attorney Konrad finally sent him a letter tjhat the sheriff's sale would take place on the Stanley County Courthouse steps on May 26th. Pastor Lindstedt shall in return maybe sometime brand then skin out the pelts of regime criminals and their families to place atop their own crucifixes "Here be regime criminals and their families who thought they was kings of the ZOGLings." Indeed, in time everything which regime criminals though was secret shall be known & made manifest.

Judge Bridget Mayer upon reading the Writ of Outlawry against Pastor Lindstedt and his Aryan Nations Church then went on an execution writ spree and even went so far as to sign likewise on 13 May three more Bryan Reo foreign judgments – all of them likewise on appeal before the 6th Circuit Court of Appeals. Take 58CIV21-24 for \$500,000 for Bryan Reo's father who Pastor Lindstedt mistook for a Bryan Reo homosexual lover since Bryan Reo said that he wasn't to appear in court. Or 58CIV21-16 by the negro judge Solomon Oliver, likewise without benefit of jury trial and the \$1 million judgment certainly is excessive for the mythical compensatory damages Bryan Reo would not and could not give and another half-million in punitive damages also under appeal before the 6th Circuit Court of Appeals. Or 58CIV21-40 by the smartest federal judge of the lot, Judge Christopher Boyko with \$259,000 non-computed damages and \$500,000 punitive. This one took a while longer because it wasn't until later that Judge Boyko decided to let off Bryan Reo's Aryan hump Kyle Bristow (See Exhibit #1) and the criminal regimes of Ohio, Lake County, some Lake county judge and others, so this appeal is still being briefed. The legal tricks that this corrupt court makes against those subjected to its tyranny really makes normal white men want to hear you regime criminals scream to the skies!

But signing the Writs of Execution in Bryan Reo's wife's case 58CIV22-16 took a while because it wasn't until 21 April that Judge Boyko finally signed a judgment and the appeal in the 6th Circuit could continue. Judge Mayer signed that Execution Writ on 27 April 2022 even though it is likewise on appeal and the Pastor Lindstedt's property sold along with the rest on 26th May 2022. In fact, the day after talking to Sheriff Rathbun on 18th May and asking him to give Pastor Lindstedt a full 60 days to notify the federal appellate courts about Bryan Reo antics, Bryan Reo sent Pastor Lindstedt an e-mail whining that even though Reo told the 6th Circuit Court of Appeals about the South Dakota Supreme Court Bill of Attainder & Outlawry &

Proscription Against Pastor Lindstedt and his Aryan Nations Church and to dismiss Lindstedt's Appeal instead that Court set up the Briefing Schedule but would only notify Pastor Lindstedt by mail and so (See **Exhibit Reo-email of 19 May 2022**) Bryan Reo was huffy because Reo's ZOG-sponsored barratry civil-lawfare wasn't working as quickly as Reo liked. But what matter given that Judge Mayer has already set up selling Pastor Lindstedt's inheritance even if under appeal? The South Dakota justice mill is churning out massive thievery under color of law just like the buffalo hunters did back in the late 19th Century in killing, skinning out and tanning the hides of buffalo for an extinction event for private profit. Sort of like Bryan Reo, Robert Konrad, Judge Bridget Mayer, the South Dakota Supreme Court and the state & federal governments suppressing racial & religious White dissent from Aryan Nations pastors & churches. None of them have any good sense of what will inevitably happens when it is their turn in the dock.

So given that there has been a civil lawfare collapse in which these corrupt courts have allowed Bryan Reo as a ZOGbot to run wild destroying ZOG's precious CONstitutional and Bill of Goods "protections" for openly White men resisting ZOG/Babylon in the Ohio courts and between Attorney Robert Konrad interacting with Judge Bridget Mayer as every single member of the thieving legal profession from top like the Supreme Court to the very lowest bottom-feeder like Konrad what is to be done about these thieving regime criminals selling off Pastor Lindstedt's inheritance in violation of SDCL 15-16A-6? Under color of SDCL 15-18-1?

In an hour and a half call to Sheriff Brad Rathbun – who likewise like Pastor Lindstedt was born in 1957 and knew Pastor Lindstedt's grandparents who created the legacy – he whined that he simply has to follow the orders of the court no matter how corrupt. Upon pointing out that the "execution writs" gave him a full 60 days to "execute" and that Pastor Lindstedt didn't find out about this proposed sale when \$2.75 million of these federal court judgments are under

appeal as of now. Four of them were signed on April 13th, the Steffani Reo one on 27 April and due to be “executed” at the same time. Why couldn’t this sheriff’s sale delayed for a time until the federal courts either come to a decision or Pastor Lindstedt has a time to ask for a Writ of Prohibition delaying the sale until all appeals processes are through? Give Pastor Lindstedt fifty days from when Judge Mayer unlawfully hastened the “executions”, all of them. Sheriff Rathbun pointed out that the Notices had been printed by the Capital Journal at Reo / Konrad expense to be stolen from Pastor Lindstedt. Unlike in talking to the Ohio courts where the situation was much like Sodom and Gomorrah deliberately inciting YHWH’s wrath from their lawfare habit of kidnapping caravan travelers then judicially murdering them this situation in South Dakota is more like the Tribe of Benjamin protecting these Amorite Canaanite Gibeonites who got judicial power refusing to turn over these judicial killers to the rest of the tribes of Ancient Israel or punish them theysselves so that the entire Tribe less 600 had to be exterminated in the resulting civil war. Sheriff Rathbun is in the same situation as the citizens of Baghdad given the insult to Genghis Khan or someone walking the streets of Hiroshima or Dresden when the time of judgment falls. When Pierre and Ft. Pierre are wiped off the face of the Earth so that the ruins can be seen as a warning about corrupt republican forms of government and theys’ korts and Resistance Drumhead Tribunals are set at the tops of the bluffs perhaps some sort of strict leniency can be done to regime-criminal offenders and their families, if for nothing more than by giving them the faintest hope like for every single one of the billions that they might squeak through on Judgment Day, they will make peace for their damnation unlike that of the damned lawyers and politicians regarding theysselves and theys’ families deserving of their fate.

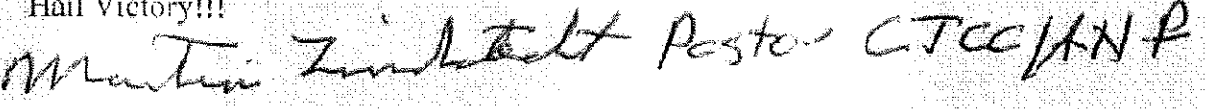

However upon reading the SDSL code the Sheriff can take all of the 60 days to delay “execution” and can twice delay for three days upon his own initiative any sale. Saying that you

must follow some corrupt court's unlawful orders has never cut it in the face of revolutionary mostly vengeful justice when it all comes around. The sheriff shall receive a copy of this Notice.

Wherefore, this Motion Showing Cause as to why these impending "Executions" against Pastor Lindstedt's inheritance by Bryan Reo and Robert Konrad unlawfully signed given that these foreign judgments corruptly obtained are still under appeal and thus under SDC 15-16A-6 must be stayed until all them are completed is hereby filed by e-mail and by US Mail to Judge Bridget Mayer and Attorney Konrad and e-mailed to the Sheriff of Stanley County, South Dakota Supreme Court, the federal courts involved in these Bryan Reo civil-lawfare suits, and others. While this unlawful sale may indeed continue the guilty regime criminals and their enablers shall surely pay and hopefully before Judgment Day.

The New 16 Words of The Church of Jesus Christ Christian / Aryan Nations of Missouri:
We must chernobylize the North Perry Nuclear Power Plant and exterminate and sterilize North East Ohio.

20 Words for South Dakota: *Pierre must be flooded off the face of the earth and regime criminals and their families exterminated or enslaved forever.*

RE: Bryan Reo v. Martin Lindstedt and Susan April Bessman, as Trustee of the Susan April Bessman Revocable Living Trust, 58 Civ. 20-07

MEMORANDUM DECISION

Plaintiff Bryan Reo ("Plaintiff") obtained an Ohio judgment against Defendant Martin Lindstedt ("Defendant") on July 2, 2019, which Defendant has appealed. Since this time, additional claims have been brought by Plaintiff against Defendant in State and Federal Courts in Ohio. On August 10, 2019 Plaintiff made application to register and docket his judgments as a foreign judgment in Stanley County, South Dakota. On August 19, 2019, Stanley County Clerk of Courts registered the July 2019 Ohio judgments against Defendant in Stanley County, where Defendant owned real property. On October 25, 2019, Defendant transferred this real property owned in Stanley County to his sister Susan Bessman ("Bessman").

Plaintiff filed a fraudulent transfer suit against Defendant and Bessman on February 14, 2020. Plaintiff alleges that the transfer of the Stanley County real estate from Defendant to Bessman after the Ohio judgement was docketed amounts to a fraudulent transfer under SDCL Ch. 54-8A.

A Temporary Restraining Orders ("TRO") preventing Defendant and Bessman from further encumbering or transferring the property was entered on February 26, 2020 by Judge Northrup. In addition, a hearing was set for March 11, 2020, regarding Plaintiff's Motion for

Preliminary Injunction. The TRO was set to expire on March 11, 2020 as well. The TRO and hearing were extended for good cause to March 27, 2020. On March 24, 2020, Defendant requested a continuance and permission to appear by telephone. This hearing on the continuance was granted at the March 27, 2020 hearing, with Defendant appearing telephonically. The TRO was extended to June 5, 2020, at which time the preliminary injunction hearing was to also take place.

On May 19, 2020 Judge Mayer was appointed to act in the stead of Judge Northrup. On June 3, 2020, Judge Mayer held a hearing with Defendant appearing telephonically. A third continuance was granted to August 4, 2020 and the TRO was extended to August 4 as well, *unless modified by this court*. Defendant was given until June 30, 2019, to respond or file any motions.

A variety of motions have been made prior to this court holding the preliminary injunction hearing. Defendant filed a Motion to Dismiss the lawsuit on grounds that an appeal has been filed on the Ohio judgment. Plaintiff filed a Response to Defendant's Objection to the preliminary injunction being issued. Plaintiff argues Defendant should not be allowed to participate in the preliminary injunction hearing because Lindstedt transferred the property to Bessman and says he doesn't own the property anymore. Plaintiff also requests that the current TRO be extended, that Defendant's exhibits be stricken, and that Plaintiff's legal counsel be released from any obligation to file Defendant's pro se documents with Stanley County. Bessman has made no motions that need resolving at this time.

Defendant's Motion to Dismiss

Defendant's Motion to Dismiss this action in Stanley County generally on the basis that there is an appeal pending on the Ohio judgments is denied. The present lawsuit before this Court does not concern itself with the merits of the Ohio lawsuits. Eventually, this court will need to determine whether there was a fraudulent transfer under SDCL Ch. 54-8A. That would occur IF Defendant loses his Ohio appeal and Plaintiff's judgments are affirmed. Alternatively, if Defendant prevails in his Ohio appeal and prevails in the other Ohio court cases, then Plaintiff will not be able to acquire the Stanley County property at issue to satisfy any of the Ohio Judgments. In the latter event, there would be no need to determine if the property still belongs to Defendant.

In the meantime, and before that hearing on the merits of an alleged fraudulent transfer, this court will address whether a preliminary injunction should be issued to preserve the Stanley County property in dispute. If granted, the preliminary injunction would prevent any transference or encumbrance of the property until the legal matters are concluded in the Ohio cases. The previous TROs were put in place to preserve the property temporarily. Should this court grant the Plaintiff's request for a preliminary injunction, that would merely take the place of the TRO and prohibit Defendant and/or his sister, Bessman, from encumbering or transferring the Stanley

County property until the Ohio lawsuits are finalized and the matter herein is determined. Defendant's Motion to Dismiss is therefore denied.

This court also finds that much of what Defendant has filed and discusses in his submissions to the court have no relevance to the issue of whether a preliminary injunction should issue. The court has reviewed the submissions and has given them the consideration they deserve. Again, the Defendant's motion to Dismiss is denied.

Plaintiff's Motions

Plaintiff Motion to disallow Defendant from participating in the Preliminary Injunction hearing is next reviewed. Plaintiff's reasoning for this request is that Defendant stated he no longer owns the property and has admitted to transferring the property. Plaintiff thus concludes that Defendant has no rights to defend at the preliminary injunction hearing. The Court disagrees as this reasoning runs counter to the entire premise of this lawsuit.

SDCL Ch. 54-8A concerns fraudulent transfers. Plaintiff's case is therefore rooted in the argument that Defendant still owns the property despite the transfer to Bessman, and that Plaintiff therefore has the right to access the property to satisfy the docketed judgments once, and if, the Ohio matters are concluded in its favor. Taken as a whole, Plaintiff is stating that Defendant has rights in the property to satisfy Plaintiff's judgments yet has no stake in the preliminary injunction hearing to preserve the status quo of that same property. This reasoning contradicts itself. Plaintiff cannot have it both ways.

The Court finds that Defendant does have standing or a stake in this matter before the court. "[S]tanding is satisfied if the litigant can show that he personally has suffered some actual or threatened injury as a result of the putatively illegal conduct of the" other party. *See Arnoldy v. Mahoney*, 2010 SD 89, ¶ 19, 791 N.W.2d 645, 653. Ultimately, should there be a finding of a fraudulent transfer to Bessman, the property would still be Lindstedt's and it could be utilized by Plaintiff to satisfy any valid judgments. This action, thus affects Lindstedt. The court doesn't believe Plaintiff can assert that Defendant has "no interest" at the preliminary injunction proceedings, and then at some point down the road claim Defendant does in fact have ownership interest in the property that can be used to satisfy a judgment. Plaintiff's Motion is therefore denied, and Defendant may participate in the preliminary injunction hearing.

It is worth noting that once Defendant realizes that the preliminary injunction would merely preserve the property from being further transferred and encumbered (but does not resolve the merits of the underlying complaint), Defendant might very well agree that the preliminary injunction should be granted. The preliminary injunction would serve to preserve the property in question, until the Ohio court matters are resolved, and this matter is concluded.

Plaintiff filed a Motion to Extend the TRO preventing Defendant or Bessman from further transferring or encumbering the property. This court takes judicial notice of its prior judgments on this matter, and that Plaintiff has made the requisite showing and certification under 15-6-65(b)(2). Plaintiff's Motion to Extend the **TRO is granted until October 2, 2020**. Plaintiff is directed to submit that order to the court for signing.

Plaintiff's Motion to Strike the exhibits submitted by Defendant is denied. Plaintiff claims that these submissions are violative of SDCL Ch. 15-15A-9 and 16-21A-5. The Clerk may designate any confidential documents as such. As for the remainder of the filings, the court will consider these filings and give them the weight, credibility and consideration it determines they deserve.

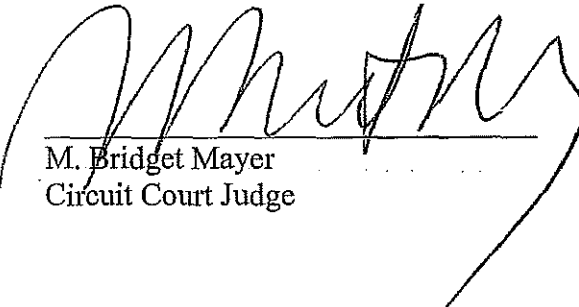

Finally, Plaintiff asks this court to relieve Plaintiff of the obligation to file items on behalf of Defendant. The court previously ordered Plaintiff to do so for the sake of convenience. It is clear that this end is not being met by this arrangement. Therefore, Defendant must henceforth file his own submissions with the Stanley County Clerk of Courts.

With these issues and Motions resolved, the next step in this litigation is to set a hearing on the preliminary injunction. This hearing is to be set prior to the TRO expiring on October 2, 2030.

CONCLUSION

For the foregoing reasons, Defendant's Motion to Dismiss is DENIED, Plaintiff's Motion Disallowing Defendant from participating in the preliminary injunction hearing is DENIED, Plaintiff's Motion to Strike is DENIED, Plaintiff's Motion to Extend Temporary Restraining Order is GRANTED, and Plaintiff's Motion for Relief of filing for Defendant is GRANTED.
